Frequently Asked Questions

When will I need to make my payment(s)?

Pledge fulfillment prior to the start of the construction project would be most appreciated; however, you have the option of fulfilling your pledge in equal one-third installments over a three year period. The first installment will be needed prior to groundbreaking, and the next two payments made annually after that. For planning purposes, you can expect to make equal payments in 2018, 2019 and 2020.

Is my donation tax deductible?

Saint Haralambos is a 501(c)3 charitable organization and all monetary donations made for this expansion project are considered tax deductible. Depending on your level of income and the deductions you can claim, the amount of your donation could be offset significantly by income tax savings. For someone in a 24% tax bracket making the target \$10,000 donation spread across three years, the actual cost of an annual donation of \$3,333 could be as low as \$2,533.

To determine your actual tax savings, please consult a Tax Advisor.
